Frequently Asked Questions (FAQs) on “Exemption in a Paper/s”

Q29. What are the passing requirements for Intermediate/Final exam?

- Ans.** a) A candidate shall ordinarily be declared to have passed in both the groups simultaneously, if he/she-
- secures at one sitting a minimum of 40% marks in each paper of each of the groups and minimum of 50% marks in the aggregate of all the papers of each of the groups; or
 - Secures at one sitting a minimum of 40% marks in each paper of both the groups and a minimum of 50% marks in the aggregate of all the papers of both the groups taken together.
- b) A candidate shall be declared to have passed in a Group, if he secures at one sitting a minimum of 40% marks in each paper of the Group and minimum of 50% marks in the aggregate of all the papers of that Group.

Q30. What are the rules regarding “exemption” and validity period?

Ans. A candidate who has appeared in all the papers comprised in a group/unit and fails in that group/unit but secures 60% or more of the marks in any paper or papers of that group/unit shall be eligible for exemption in that paper or papers in the next three following examinations.

- He shall be declared to have passed in that group/unit if he secures at one sitting a minimum of 40% marks in each of the papers of that group/unit and a minimum of 50% of the total marks of all the papers of that group/unit including the marks of the paper/s in which he/she had secured the exemption, i.e., 60 or more marks in the earlier examination.
- He/she shall not be eligible for any further exemption in the remaining paper(s) of that

group/unit until he/she has exhausted the exemption already granted to him in that group/unit.

- The implications of the above paragraph are clarified below:
 - i. You must have appeared in all the papers of the group/unit.
 - ii. You must have failed in the group/unit and should have secured 60 or more marks in any paper/s of the group/unit.
 - iii. The exemption is automatic and will be indicated in the statement of marks issued by the Institute.
 - iv. An exemption is valid for three immediate succeeding exams and will be carried forward automatically for the next three examinations.
 - v. A candidate shall be declared to have passed in a Group/unit, if he secures at one sitting a minimum of 40 percent marks in each paper of the Group/unit and a minimum of 50 percent marks in the aggregate of all the papers of that group/unit. For the purpose of arriving at the aggregate marks, 60 percent or more marks secured in exempted paper/s will also be taken into account.
 - vi. As long as exemption in one or more paper(s) of a group/unit, brought forward from an earlier attempt is subsisting, no further exemption in any paper in that group/unit will be given, even if one secures 60% or more marks in any paper in that group/unit.

The above rules relating to “Exemption” are common to all the exams, i.e., Intermediate, Intermediate Units and Final, conducted by the Institute.

Q31. I secured exemption in Paper I of Intermediate/Final exam in May 2022 exam. I did not appear in the exams held in November 2022, May 2023, and also in November 2023 . I have submitted my exam application form for appearing in May 2024 exam. Can I get the exemption in the said paper in May 2024 exam?

Ans. No. The exemption obtained by you in May 2022 exam would last only for the next three exams, i.e. for November 2022, May 2023 and November 2023 exam, irrespective of the fact whether you appeared in those exams or not. The exemption you obtained in May 2022 examination stands exhausted in May 2024 and will not be valid for May 2024 exam onwards. You will have to appear in the said paper once again in May 2024 exam.

Q32. I appeared, say, in Papers 1 and 2 of Group I and remained absent in the remaining paper(s) of Group I of Intermediate/ Final and secured more than 60% of the marks in both the papers. However my mark sheet does not show any exemption in those two papers.

Ans. To be eligible for exemption in any paper of a group in any of the exams (Intermediate /Final), you should have appeared in all the papers comprised in that group. In your case, though you obtained more than 60% marks in two papers, you will not be eligible for exemption in those two papers since you did not appear in all the papers of that group

Q33. How do I know that I am eligible for exemption in a paper?

Ans. The fact that you are eligible for exemption in a paper, will be found indicated in the statement of marks, issued by the Institute, by way of a symbol “#” against the marks of the paper(s) in which you had secured 60% or more marks. In your statement of marks, you will find the alphabet “E” marked against the marks of already exempted paper(s) carried forward from an earlier examination, provided the exemption is still valid.

Q34. I secured exemption in Paper V (Group II) of Intermediate /Final in May 2023 exam. I have submitted my exam application form for appearing in Group II of November 2023 exam. Is the exemption automatic or do I have to specifically mention in my exam application form that I got exemption in Paper V in May 2023 exam?

Ans. An exemption is valid for three immediate succeeding exams and will be carried forward automatically for the next three examinations. The valid exemption details are auto/pre-filled in the exam form.

Q35. I secured exemption in Paper 3 (Group I) of Intermediate /Final in November 2022 exam. I appeared in Group I in May 2024 exam once again and secured more than 60% marks in Paper 2 of (Group I) of Intermediate/Final. However, I did not get exemption in Paper 2 even though I secured more than 60% marks in that paper? Why is it so?

Ans. As long as exemption in one or more paper(s) of a group/unit, brought forward from an earlier attempt is subsisting, no further exemption in any other paper in that group/unit will be given, even if you secure 60% or more marks in any other paper in that group/unit. You will not be eligible for any further exemption in the remaining paper(s) of that group/unit until you have exhausted the exemption already granted to you in that group/unit.

The exemption that you secured in a paper in November 2009 exam lasted till May 2011 exam. Hence, you did not get any exemption in Paper 2 in May 2011 exam even though you secured more than 60% marks in that paper.

Q36. I secured exemption in Paper 3 (Group I) of Intermediate in May 2024 exam. I intend to appear in Group II in September 2024 exam and applied for the same. Can I get exemption in any paper in Group II in September 2024 exam if I secure more than 60% marks in any of the papers of Group II?

Ans. Yes. You can get exemption in any of the papers of Group II in September 2024 exam. The exemption that you secured in Paper 3 of Group I does not come in the way of your getting exemption in any paper of Group II. Please note that the rules relating to exemptions are applied group-wise.

However, you will not be eligible for any further exemption in the remaining paper(s) of Group I until you have exhausted the exemption already granted to you in that group.

Q37. What about exemption from appearing in any paper/s available to Intermediate Unit candidates?

Ans. Unit Scheme is meant for those candidates who have passed one of the Groups but not both the groups of the erstwhile Intermediate examination held under the syllabus prescribed in Paragraph 2A of Schedule B of CA Regulations 1988 (i.e. erstwhile Intermediate exam held in November 1994 and thereafter), or PE II or PCE or IPCE or Intermediate(IPC) Erstwhile Intermediate under Regulation 28G(4) of the Chartered Accountants Regulations, 1988 (held from May 2018 to November 2023)) are eligible to appear under the Unit Scheme of Intermediate Examination, upon conversion to the Intermediate course.

Such candidates are required to convert to the Intermediate course and appear in both the Groups of Intermediate examination, either separately or together, in the normal course, if they want to pursue the course.

FAQS ON PERMANENT EXEMPTION (PE)

The concept of Permanent Exemption has been introduced in New Scheme of Examination. Those students who have secured the Exemption from May 2022 Examinations and onwards will have the option for continuing the said exemption immediately on exhaustion of the same.

For example, the candidates who secured Exemption in May 2022 Exam, got the option to continue their exemption after the declaration of November 2023 Results. Likewise, the candidates who secured Exemption in November 2022 Exam, got the option to continue their exemption on exhausting the said exemption after declaration of May 2024 Result and so on.

Q40: What is Permanent Exemption (PE)?

Ans. An exemption secured in normal course in a paper/s of a Group is available to the candidate for immediately following next three attempts. However, if the student is not able to pass the said Group in the following three attempts, the exemption granted to him/her gets exhausted. At this point of time, the student may opt for continuing of the said exemption to the subsequent examinations provided that he/she shall be required to obtain a minimum of 50% marks in each of the remaining paper or papers of that Group in order to pass that Group.

Therefore, such a continuation of an exhausted exemption with the condition of securing minimum 50% marks in each of the remaining paper/papers of that Group to qualify the Group is making the exemption permanent.

For example: Candidates who had secured Exemption in May 2022 Exam, which was valid till November 2023 CA Exam, got the option to continue their exemption on exhaustion of the said exemption after the declaration of November 2023 Results. Likewise, those candidates who had secured Exemption in November 2022 Exam, which was valid till May 2024 CA Exam, got the option to continue their exemption on exhaustion of the said exemption after declaration of May 2024 Result and so on.

The concept of Permanent Exemption has been introduced in the New Scheme of Education and Training effective from July 2023.

Q41: I had secured exemption in paper/s of a Group. Three attempts after securing the exemption are over and I did not qualify that Group. Now, after declaration of result of third attempt, I am desirous of making the exemption permanent. How can apply for the same?

Ans. The Candidate desirous of making the exhausted exemption permanent will have to apply for the same by using their SSP login ID and Password.

Q42: I have secured Exemption in a paper/s of a Group in a particular attempt. Three attempts after securing the exemption have passed and I did not qualify the Group in which exemption was continuing in these three subsequent attempts. I did not apply for making the Exemption Permanent after declaration of result of such third attempt in which my exemption got exhausted. Now, 4 attempts have passed since securing of Exemption and I want to make that Exemption Permanent. Is it permissible?

Ans. Candidates will get only ONE chance to make exemption permanent (ie; exemption secured in one exam (say for e.g. May 2022) and getting exhausted after conduct of three subsequent exams (i.e. November 2023) exam will be shown before the conduct of next upcoming (i.e. May 2024) exam as per specified dates on the website of the Institute and if not made permanent by the candidate during that period then that exemption will lapse forever.

Q43: I had secured exemption in two papers of the same Group. Now I have exhausted the exemption in both papers and have the option of making these Permanent. Can I make one out of these 2

exemptions permanent and let the other exemption lapse?

Ans. If a candidate has exemption in two papers of the same group, for example, papers 1 and 2 of Group-I that are offered in this window, then, he/she has to apply either for making both exemptions (i.e.; paper-1 & paper-2 in Group-1) permanent or let both the exemption lapse. He/she cannot opt to continue exemption in one paper and let it lapse in the other paper.

Q44: Is there any change in passing criteria if I opt for making the exemption/s secured by me Permanent?

Ans. Upon making an exemption Permanent for any group, the candidate will have to secure at least 50% marks in each of the remaining papers of that group to pass the relevant group. Please refer regulation 37D(9) For Intermediate and 38D(8) For Final.

Q45: I opted for making the Exemption permanent. However, now I want to surrender the Permanent Exemption (PE) and re-appear in the exempted papers(s). Do I have this option of surrender of PE?

Ans. Yes. Candidates do have the option to surrender and re-appear in the exempted papers(s).

Q46: I am continuing with a Permanent Exemption in one of the Papers of a Group. I appeared for other two Papers of that Group and secured 60 % or more marks in one of the Papers I appeared in and failed (secured less than 50%) in another Paper of that Group. Will the exemption in that Paper in which I secured 60% or more marks be given to me alongwith continuing PE in one of the Papers?

Ans. No, if there is a Permanent Exemption (PE) in a group, then, no new exemption will be granted in that group.

FAQS ON STATEMENT OF MARKS

Part- I Queries relating to statement of marks

Q47. I appeared in the CA exams, results of which were declared recently. Do I get a statement of marks from the Institute?

Ans. Yes. You will receive a hard copy of the statement of marks from the Institute within about 4 weeks from the date of declaration of result.

A hard copy of the statement of marks, in the official stationery, indicating the marks secured by the candidates and the result, is sent to all the candidates who appeared in the exam and either passed or had secured an exemption by speed post, at the address given by the candidates in their exam form. However, Statement of marks of all unsuccessful candidates is being sent by ordinary post.

Q48. Is the statement of marks sent only to those who qualified the exam? Or is it sent to all the candidates who appeared in the exam?

Ans. It is sent to all the candidates who appeared in one or more papers of the exam. If a candidate had applied for the examination but not appeared in any of the papers, then no statement of marks will be issued to him.

Q49. I appeared in the CA exams. Do I have to apply for issue of the statement of marks? Or is it sent to me, by the Institute, on its own? Is there any fee for issue of statement of marks?

Ans. Statement of marks is sent to all the candidates who appeared in the exam by ICAI, free of cost. You do not have to apply for it. However, in case you want to be issued a duplicate statement of marks, you will

Q50. I have taken a print out of my result from the website www.caresults.nic.in Do I also receive a hard copy of the statement of marks or is it to be printed from the website?

Ans. You will receive a hard copy of the statement of marks in the official stationery by speed post in case you had passed or secured an exemption. Statement of marks of all unsuccessful Candidates is being sent through ordinary post.

Q51. How soon do I receive the statement of marks, after declaration of results?

Ans. Hard copies of statement of marks are sent to the candidates, soon after declaration of results. You should be receiving the same, generally within about 4 weeks' time from the date of declaration of results.

Q52. Does the statement of marks contain my photograph and signature?

Ans. Statement of marks of CA Foundation, Intermediate and Final exams contains the candidate's photograph and signature.

Q53. Does the statement of marks also indicate whether exemption was granted to me in a paper(s)?

Ans. Yes. “#” symbol printed against the marks of a paper denotes that you have been granted an exemption in that paper, which will be valid for the immediate next three following exams. The result of such group(s) is shown as “UNSUCCESSFUL-EX” (i.e. failed with exemption)

Alphabet “E” printed against the marks of a paper denotes that marks of that paper have been brought forward from an exemption granted in that paper in an earlier attempt.

Numeral and Alphabet “50E” printed against the marks of a paper denotes that the candidate has opted for Permanent exemption in that paper brought forward from an earlier attempt.

If no such symbol or alphabet is printed against the marks of any paper, even though the marks obtained in that paper may be more than 60, then that indicates that no exemption has been granted in that paper. The result of that group(s) is shown as “Unsuccessful”.

Q54. I received my statement of marks. I find that there is a footnote therein which states “Passed under Regulation -----“. What does it mean? I do not find that footnote in the statement of marks of my friends who also passed the exam. Does it make a difference to me?

Ans. As per CA Regulations, a candidate shall ordinarily be declared to have passed in both the groups simultaneously, if he

- a) Secures at one sitting a minimum of 40 per cent marks in each paper of each of the groups and minimum of 50 percent marks in the aggregate of all the papers of each of the groups; or
- b) Secures at one sitting a minimum of 40 percent marks in each paper of both the groups and a minimum of 50 per cent marks in the aggregate of all the papers of both the groups taken together.

In the statement of marks of those who pass under category (b) mentioned above, the above footnote “Passed under Regulation -----“is inscribed to make a distinction between the two categories.

You might have passed under category (b) and hence the footnote on your statement of marks. It does not make a difference to the candidates since the result in both groups is “SUCCESSFUL”.

Q55. It is more than a month from the date of declaration of results. I have not yet received my original statement of marks? Whom should I contact?
